NEW York, November 8.-The sixteen Cuban insurgents who were recently released by the Spanish gov- ≥ ernment from the government prison at Ceuta and who arrived in this country last week on the Kaiser Wilhelm II, were today released from the barge office and allowed to go, penniless and homeless, into the streets. ## Facts About Health

It is Easy to Keep Well If We Know How

Some of the Conditions Necessary to Perfect Health.

The importance of maintaining good health is easily understood, and it is really a simple matter if we take a correct view of the conditions required. In perfect health the stomach promptly digests food and thus prepares nourishment. The blood is employed to carry this nourishment to the organs, nerves, museles and tissues which need it. The first great essential for good health, therefore, in pure, rich blood. Now it is certainly a fact that no medicine has such

as Hood's Sarsaparilla. It is literally true that there are hundreds of people alive and well today who would have been in their graves had they not taken Hood's Sarsaparilla. It is depended upon as a family medicine and general regulator of the system by tens of thousands of people. This is because Hood's Sarsaparilla makes the blood pure. This is the secret of its great success. Keep your system in good health by keeping your blood pure with Hood's Sarsaparilla, which absolutely cures when other medicines fail.

"I had pimples on my face and a large boil on one hand. I began taking Hood's Sarsaparilla and after using three bottles I was cured." J. W. Johnson, 3 South Broderick St., San Francisco, Cal.
